Dear Chris,

Thank you for your association's generosity in donating to Health Care Foundation for Ventura County, Inc. (HCFVC). As you know, HCFVC is a nonprofit public benefit corporation that exclusively benefits our Ventura County Health Care Agency and especially its hospitals Ventura County Medical Center and Santa Paula Hospital.

Your association's generous gift totaled \$2,500.00 for Pediatrics at Ventura County Medical Center identifies you as a leader amongst your community, an advocate for advancing health care in Ventura County, and a model for generous giving for the others to follow. Your philanthropic investment will make a measurable difference where every donation is invested back into our local health care system to support the most urgent needs of our shared community.

Together we do make a difference! We appreciate your dedication, collaboration, and participation for many decades. Thank you for your continued support.

In philanthropic spirit,

Amy Towner  
Chief Executive Officer
